WHY ARE THE DATA SUBJECT'S DATA NEEDED?

PURPOSES OF THE PROCESSING

LEGAL BASIS

Registration and management of contact requests and/or information materials

Your personal data is processed to implement preliminary actions and those following a registration request, to manage information and contact requests, and/or to send informational materials, as well as to satisfy any and all other obligations arising herewith.

The legal basis for this processing is the fulfilment of the services related to the request for registration, information and contact and/or the sending of informative material and compliance with legal obligations.

The provision of data is optional, however, any refusal by the Data Subject to provide the data will make it impossible for the Data Controller to follow up on the requested service.

Management of the contractual relationship

The Data Subject's personal data are processed to implement actions in preparation of and following the purchase of a Service and/or a Product, such as management of the relevant order, provision of the Service itself and/or production and/or shipping of the purchased Product, related invoicing and payment management, handling of any claims and/or notifications to the support service and provision of the

The legal basis for this processing is to provide the services relating to the contractual relationship and to comply with the legal requirements.

The provision of the data is optional. However if the Data Subject refuses to provide the data, it will not be possible for the Data Controller to provide the requested service.

support itself, sending communications for information as well as fulfilment of any and all other obligations arising from the contract.

Defending a right in court or out of court

The Data Subject's personal data are processed to ascertain, exercise or defend a right of the Data Controller and/or to defend itself against third party claims, in court or out of court.

The legal basis of the processing is the pursuit of the legitimate interest of the Data Controller, given the balance of the rights of the latter and the Data Subject.

Information Security

The Data Subject's personal data are processed to ensure network and information security, the protection of corporate assets and corporate systems.

The legal basis for this processing is compliance with the law and the pursuit of the legitimate interest of the Data Controller, given the balance of rights of the latter and the Data Subject.

The Data Subject has the right to object at any time to the processing of their personal data for the purpose in question, on grounds relating to their personal situation.

Fraud prevention

The Data Subject's personal data are processed to allow controls that monitor and prevent fraudulent payments by software systems running automated checks, prior to the negotiation of Services/Products. If these checks return a negative result it will be impossible to complete the transaction; the Data Subject can, of course, express their opinion, request an explanation, or challenge the decision by sending their reasons to Customer Support or to privacy@nidoma.com.

The legal basis of the processing is the pursuit of the legitimate interest of the Data Controller, given the balance of the rights of the latter and the Data Subject.

The Data Subject has the right to object at any time to the processing of their personal data for the purpose in question, on grounds relating to their personal situation.

Promotional activities for Services/Products similar to those purchased

The Data Subject's personal data are processed in order to send emails relating to promotions and offers relating to the Data Controller's Services/Products identical and/or similar to those covered by the current contract with the Data Subject, unless the Data Subject objected.

The legal basis for this processing is the legitimate interest of the Data Controller, in conjunction with Section 7(3) of the German Unfair Competition Act (UWG), to promote products or services in which the customer may reasonably be interested, taking into account the balance of the rights of the customer and the Data Controller. The data subject has the right to object at any time, on grounds relating to his or her particular situation, to the processing of personal data concerning him or her for the purposes in question.

Promotional activities for Services/Products offered by Namecase

The processing of the Data Subject's personal data is carried out for the purpose of sending newsletters and communications regarding offers, discounts and promotions of the Data Controller's own Services/Products, subject to specific consent, through traditional methods (e.g. ordinary mail, telephone calls with an operator) and/or automated methods (e.g. e-mail, text messages, online instant messaging applications, web and mobile push notifications).

The legal basis for this processing is the consent given by the Data Subject prior to the processing itself, which can be freely revoked at any time, without prejudice to the lawfulness of the processing carried out previously.

Any refusal by the Data Subject to give consent will make it impossible for the Data Controller to carry out promotional communications, without this having any prejudicial consequences on the existing contractual relationship..
